Details

A house completely renovated and well-preserved, the most characteristic of this house of 90m2 is its wonderful panoramic sea views. It has a large living room, 30m2, with large windows that offer fantastic sea views. There is also a fireplace in the lounge to enjoy all year round, as well as air conditioning. The semi independent kitchen is renovated in a very modern style. Equipped with all appliances and an adjacent gallery where you can do your laundry. One of the most notable areas of this property is undoubtedly the master bedroom. A spacious room with large windows that give way to the vast blue sea that opens on the horizon. It also has 2 more bedrooms and 3 bathrooms. There is a solarium where you can enjoy the surroundings. It also has a garage. On the ground floor of the apartment it has a large terrace.
